

Which Tool to Use?

*These are just basic descriptions & recommendations.

Please feel free to try each tool on your dog!

Shedding Blade

Good for German Sheperds,
Golden Retrievers, Labs & Rottweilers.
Use with a light touch.

Slicker Brush

Good for doublecoated or densely coated breeds. Good for finding mats & tangles.

Doublecoat Rake

Good for doublecoated breeds such as Keeshonds, Chow's, Collies & Newfoundlands

Comb

Two tools in one.
Works out mats & follows up brushing.

Nail Trimmers

Black Handle w/guard helps control amount of nail that is removed.

Orange Handle for large nails & confident users

Zoom Groom

Excellent for pre-bath hair removal as well as for a bathing scrub

We offer a "Furminator" like tool that you try and then purchase if you like it. Ask us to give it a try!
